Dear Ayaana,

Thank you so much for your letter.

It was great to see you at the Zoom meeting.

Did you like our extra sports lesson?

Do you celebrate Christmas?

I love Christmas!

My family celebrates Christmas at December 24th, in the evening.

We go to church, visit the nativity play, meet our grandparents, cousins, uncle and aunts and have a very nice dinner. Later we get our presents under the Christmas tree.

How do you celebrate Christmas?

Do you have holidays too?

We will start school January 7th. Merry Christmas

And a happy new year

Yours Mara
